## CHOICE OF AN INTERIOR DESIGN LINE

We provide homeowners with complete and inspirational interior design lines that deliver an exceptionally beautiful space. The choice between the three lines creates unique properties which offer their own individual feel, using the finest quality materials.

RAW  
VANITY  
ISLAND

A dynamic blend of exposed and industrial, highly functional and durable concrete surfaces that fuse into a very stylish environment. Full of character with a hint of industrial flavour, bringing a subtle and sophisticated edge to your interiors.

RAW  
PENTHOUSE

Classic contemporary marble pairs with timeless warm parquets,  
giving your interior spaces a glamorous stamp of modernity, while adding a touch  
of elegance to your urban home.

White wooden surfaces embraced by creme tiling define the Mallorquin and Mediterranean style of this line. Minimalistic clean lines create maximum versatility for a bright and charming space, blended with organic moss walls that require no gardening.
